SUBJECT: EDUCATION OF HOMELESS CHILDREN AND YOUTH

The parent/person in parental relation to a homeless child; or the homeless child, together with the homeless liaison designated by the School District in the case of an unaccompanied youth; or the director of a residential program for runaway and homeless youth established pursuant to Article 19-H of the Executive Law, in consultation with the homeless child, where such homeless child is living in such program, may designate either the school district of current location, the school district of origin, or a school district participating in a regional placement plan as the district the homeless child shall attend.

Pursuant to Commissioner's Regulations, a "homeless child" means a child or youth who lacks a fixed, regular, and adequate nighttime residence; including a child who is:

a) Sharing the housing of other persons due to a loss of housing, economic hardship or a similar reason;

b) Living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations;

c) Abandoned in hospitals;

d) Awaiting foster care placement; or

e) A migratory child who qualifies as homeless in accordance with Commissioner's Regulations. As defined in the No Child Left Behind Act of 2001, the term "migratory child" includes a child who is, or whose parent or spouse is, a migratory agricultural worker, including a migratory dairy worker, or a migratory fisher, and who has moved from one school district to another in the preceding 36 months, in order to obtain, or accompanies such parent or spouse in order to obtain, temporary or seasonal employment in agricultural or fishing work.

f) A child or youth who has a primary nighttime location that is:

1. A supervised, publicly or privately operated shelter designed to provide temporary living accommodations including, but not limited to, shelters operated or approved by the state or local department of social services, and residential programs for runaway and homeless youth established pursuant to Article 19-H of the Executive Law; or

2. A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings; including a child or youth who is living in a car, park, public space, abandoned building, substandard housing, bus or train station or similar setting.
The term "homeless child" shall not include a child in foster care or receiving educational services pursuant to Education Law Section 3202(4),(5),(6),(6a) or (7) or pursuant to Article 81, 85, 87 or 88. For example, a child in a family home at board, a school for the mentally retarded, a hospital or other institution for the care, custody and treatment of children; youths under the direction of the Division for Youth incarcerated in county correctional facilities or youth shelters; or children residing in child care institutions or schools for the deaf or blind would not be considered "homeless."

Homeless children and youth shall be educated as part of the school's regular academic program. Services must be provided to homeless children and youth through programs and mechanisms that integrate homeless children and youth with their nonhomeless counterparts. Services provided with McKinney-Vento funds must expand upon or improve services provided as part of the regular school program. Consequently, the School District shall ensure that homeless children and youth are not segregated in a separate school, or in a separate program within the school, based on their status as homeless; and to the extent feasible consistent with the requirements of Commissioner's Regulations, keep a homeless child or youth in the school of origin except when doing so is contrary to the wishes of the child's or youth's parent or guardian. Further, the School District shall review and revise policies and practices, including transportation guidelines that may act as barriers to the enrollment, attendance, school success, and retention of homeless children and youth in the School District.

The District shall also establish guidelines for the prompt resolution of disputes regarding school selection or enrollment of a homeless child or youth; and provide a written explanation, including a statement regarding the right to appeal in accordance with law, to the homeless child's or youth's parent or guardian if the School District sends such child or youth to a school other than the school of origin or the school requested by the parent or guardian.

School District Liaison for Homeless Children and Youth

The School District shall designate an appropriate staff person, who may also be a coordinator for other federal programs, as the local educational agency liaison for homeless children and youth to carry out the duties as enumerated in law, Commissioner's Regulations and applicable guidance issued by the U.S. and New York State Education Departments.

Transportation Expenses

A school district may receive State aid to offset expenditures incurred by the school district for the transportation of homeless children under certain circumstances.

To the extent funds are provided for such purpose, OCFS must provide transportation for each homeless child who lives in a residential program for runaway youth and homeless youth located outside of the designated school district. If the runaway and homeless youth shelter is not capable of transporting or contracting for transportation, the school district must provide transportation. The costs for transportation will be reimbursed by the Department with the submission of a Runaway and Homeless Youth Act Transportation Program Form, which is available from the Homeless Education Program Office (518-473-0295)."
Reporting Requirements

The School District shall collect and transmit to the Commissioner of Education, at such time and in the manner as the Commissioner may require, a report containing such information as the Commissioner determines is necessary to assess the educational needs of homeless children and youths within the state.
